I'm Happy to know as there is a Financial institution who supports students for their education. JODO is one of such institutions, it is indeed a great opt for reducing the burden of the parents for school fees. The process is very simple and the Jodo representative are so cooperative, since my approvals had happened in one hour. I recommend all the parents to go with Jodo.

Go for it, it's extremely reliable, convenient. And I no longer have to remember the days of school fees installment, timely reminders and updates help me make school fees payment easy. I would like to mention special feature of Jodo that is Jodo joy which gives my child extensive learning benefits. My child is studying in arise international school and I am thankful that the school is tied up with Jodo for scheduling fee payment and specially thanks to Priyanka for Helping.
