

8.1.11 Steps/procedures adopted by the College to expose students to contemporary medico-legal practices and third-party payers/insurance mechanisms, indemnity insurance protection etc. relevant to the clinician/provider as well as the patient/recipient. 1

The Medical College has adopted the procedures to expose its students to medico-legal practices of its time with third party insurance plans, covering indemnity insurance to the Clinicians and the Patients as well.

To safeguard financially the practitioners in medical field, professional indemnity insurance against legal claims for compensation by patients. The aggrieved individuals on incurring the loss is compensated through contractual indemnity specially.

The unknowing loss occurred to the victim on the part of the doctor, insured is covered under professional indemnity insurance. The scope of professional indemnity insurance is to provide cover on account of financial damage to qualified as well as unqualified personnel and working staff.

The cost of defending oneself in the court of law is also covered. The plan covers liabilities for subscription up to one year. The policy shall not cover for criminal actions. The Institute covers subscription of Rs. Fifteen Lakhs annually towards insurance plan with United India insurance Co. Ltd in our country under indemnity insurance policies for medical practitioners.

Our college is also getting services of following medical bodies:-

1. IMA - National Professional Protection Scheme.
2. Professional Indemnity policies by National General Insurance companies.
3. Indian Medico-Legal consultancy services.

Our students are also covered by State Health Schemes and MUHS (Maharashtra University of Health Sciences, Nashik).

Students Welfare schemes:-
