### Circular

It is to inform that 'World Heart Day' is on 29<sup>th</sup> September 2021. As a celebration of this Department of Anesthesiology and Medicine is going to organize 'Cardiopulmonary Resuscitation Training Programme' in our college from 7<sup>th</sup> Oct 2021 to 9<sup>th</sup> October 2021.

'Cardiopulmonary resuscitation (CPR) is a lifesaving technique that's useful in many emergencies, in which someone's breathing or heartbeat has stopped. The following programme is an essential part of basic medical training. Hence this programme will be organised as an biannual event so that every student from Dr Ulhas Patil Medical College is well equipped with this basic skill.

The participant of the programme will be Final year major students.

### Circular

The Department of Anesthesiology and Medicine is going to organize 'Cardiopulmonary Resuscitation Training Programme' in our college from 06<sup>th</sup> June 2021 to 08<sup>th</sup> June 2021.

'Cardiopulmonary resuscitation (CPR) is a lifesaving technique that's useful in many emergencies, in which someone's breathing or heartbeat has stopped. The following programme is an essential part of basic medical training. Hence this programme will be organised as an biannual event so that every student from Dr Ulhas Patil Medical College is well equipped with this basic skill.

The participant of the programme will be Final year major students.

### Circular

The Department of Anesthesiology and Medicine is going to organize 'Cardiopulmonary Resuscitation Training Programme' in our college from 23<sup>rd</sup> September 2019 to 25<sup>th</sup> September 2019.

'Cardiopulmonary resuscitation (CPR) is a lifesaving technique that's useful in many emergencies, in which someone's breathing or heartbeat has stopped. The following programme is an essential part of basic medical training. Hence this programme will be organised as an biannual event so that every student from Dr Ulhas Patil Medical College is well equipped with this basic skill.

The participant of the programme will be Final year major students.

### Circular

The Department of Anesthesiology and Medicine is going to organize 'Cardiopulmonary Resuscitation Training Programme' in our college from 18<sup>th</sup> March 2019 to 20<sup>th</sup> March 2019.

'Cardiopulmonary resuscitation (CPR) is a lifesaving technique that's useful in many emergencies, in which someone's breathing or heartbeat has stopped. The following programme is an essential part of basic medical training. Hence this programme will be organized as an biannual event so that every student from Dr Ulhas Patil Medical College is well equipped with this basic skill.

The participant of the programme will be Final year major students.

### Circular

The Department of Anesthesiology and Medicine is going to organize 'Cardiopulmonary Resuscitation Training Programme' in our college from 24<sup>th</sup> September 2018 to 26<sup>th</sup> September 2018.

'Cardiopulmonary resuscitation (CPR) is a lifesaving technique that's useful in many emergencies, in which someone's breathing or heartbeat has stopped. The following programme is an essential part of basic medical training. Hence this programme will be organized as an biannual event so that every student from Dr Ulhas Patil Medical College is well equipped with this basic skill.

The participant of the programme will be Final year major and minor students.

### Circular

The Department of Anesthesiology and Medicine is going to organize 'Cardiopulmonary Resuscitation Training Programme' in our college from 26<sup>th</sup> March 2018 to 28<sup>th</sup> March 2018.

'Cardiopulmonary resuscitation (CPR) is a lifesaving technique that's useful in many emergencies, in which someone's breathing or heartbeat has stopped. The following programme is an essential part of basic medical training. Hence this programme will be organised as an biannual event so that every student from Dr Ulhas Patil Medical College is well equipped with this basic skill.

The participant of the programme will be Final year major students.

Departments of Anesthesiology and Medicine is going to organize 'Cardiopulmonary Resuscitation Training Programme' in our college from 4<sup>th</sup> Sept 2017 to 6<sup>th</sup> Sept 2017.

'Cardiopulmonary resuscitation (CPR) is a lifesaving technique that's useful in many emergencies, in which someone's breathing or heartbeat has stopped. The following programme is an essential part of basic medical training. Hence this programme will be organized as a biannual event so that every student from Dr Ulhas Patil Medical College is well equipped with this basic skill.

The participant of the programme will be Final year major students.
