**Applicant PLEASE READ:**

Acceptance to the College is based on the current year's published admission requirements. These admission requirements are reviewed on an annual basis and publication of future admission requirements will occur by October of each year. If admission requirements change, we will inform you.

The College reserves the right to cancel a program or course, a program major or option, to change the location and term in which program/courses are offered or withdraw an offer of acceptance because of insufficient registrations or for other budgetary reasons.

Most post-secondary college programs require registered students to write a "diagnostic English test". At Fanshawe College almost all post-secondary programs have at least one Communications/English course as a part of their curriculum. The "diagnostic" English test is for the purposes of placing a student in an appropriate Communications/English course.
