### 5.4.1 ALUMNI ASSOCIATION

The institute has turned out a significant number of graduates over last decade and its alumni are spread across the country, with few also internationally. The institute very much still considers its alumni to be a part of the family.

The alumni association cell has been setup in the institute with the intention of strengthening the alumni activity. We have a working alumni portal that helps the alumnus and the institute to get in touch with each other. Using the portal, the alumnus can get information about institute, fellow colleagues, seniors, juniors, alumni meets and conferences. The portal also features success stories of alumni.

Regular activities of alumni association are:

- Regularly keeping the Alumni portal updated with all relevant information of Alumni and institute.
- Providing alumni information to other alumni for academic development.
- Involving alumni in conducting guest lectures, workshops based on their experience.
- Organizing annual alumni meet and awarding alumni with Distinguished Alumnus Award.
- Inviting alumnus contributions for the development of institution.
