### **SUMMARY AND OUTCOME ANALYSIS**

Review and feedback was taken from all the respected faculty members and parents and implementation was done regarding the same

As follows-

1. yearly progress report of students was discussed with parents
2. exposure of students to clinical postings from first year is a good advisory as stated by a few parents which will be successfully implemented
3. Mess was an issue for some students of third and final year which is duly noted and be resolved within a week.
4. Parents were completely satisfied with the progress of their children and the management of the hospital and the college.
