Dear sir/ madam,

We are a group of doctors who motivate, on non-commercial basis, medical students & doctors for updating themselves. We are evaluating an online course for medical students/ aspirants which will help them prepare for PG-NLET. This course will simultaneously enhance the competency & performance of medical students (from 1st to final years), interns & post-interns. We are currently offering the evaluation version of this online course on no-profit-no loss basis.

We are interested in conducting a seminar in your institute for medical students (1st to final years), interns & post-interns motivating them for updating themselves.

Kindly grant permission for the same.

Thanking you.
